Item 1.01 Entry into a Material Definitive Agreement

On February 7, 2013, IMAX Corporation (the “Company”) amended and restated the terms of its existing senior secured credit facility (the “Prior Credit Facility”). The amended and restated facility (the “New Credit Facility”), with a scheduled maturity of February 7, 2018, has a maximum borrowing capacity of \$200 million. The Prior Credit Facility had a maximum borrowing capacity of \$110 million. Certain of the Company’s subsidiaries will serve as guarantors (the “Guarantors”) of the Company’s obligations under the New Credit Facility. The New Credit Facility is collateralized by a first priority security interest in substantially all of the present and future assets of the Company and the Guarantors.

The terms of the New Credit Facility are set forth in the Third Amended and Restated Credit Agreement (the “Credit Agreement”), dated February 7, 2013, among the Company, the Guarantors, the lenders named therein, Wells Fargo Bank, National Association (“Wells Fargo”), as agent and issuing lender and Wells Fargo Securities, LLC, as Sole Lead Arranger and Sole Bookrunner and in various collateral and security documents entered into by the Company and the Guarantors. Each of the Guarantors has also entered into a guarantee in respect of the Company’s obligations under the New Credit Facility.

The New Credit Facility permits the Company to undertake up to \$150 million in stock buybacks and dividends, provided certain covenants in the Credit Agreement are maintained. In the event that the Company undertakes stock buybacks or makes dividend payments, then any amounts outstanding under the revolving portion of the New Credit Facility up to the first \$75 million of any such stock buybacks and dividend payments will be converted to a term loan.

At closing, the Company borrowed \$18.0 million from the New Credit Facility to repay outstanding indebtedness under the Prior Credit Facility and to pay fees and closing costs related to entry into the New Credit Facility.

The amounts outstanding under the New Credit Facility bear interest, at the Company’s option, at (i) LIBOR plus a margin of (a) 1.50%, 1.75% or 2.00% depending on the Company’s Total Leverage Ratio (as defined in the Credit Agreement) per annum, or (ii) Wells Fargo’s prime rate plus a margin of 0.50% per annum. Term loans, if any, under the New Credit Facility must be repaid under a 5-year straight line amortization, with a balloon payment due at maturity. The Company is required to hedge 50% of any term loans outstanding.

The New Credit Facility provides that the Company will be required to maintain a Fixed Charge Coverage Ratio (as defined in the Credit Agreement) of not less than 1.1:1.0. The Company will also be required to maintain minimum EBITDA (as defined in the Credit Agreement) of \$70 million between closing and December 30, 2013, which requirement increases to \$80 million on December 31, 2013, \$90 million on December 31, 2014, and \$100 million on December 31, 2015. The Company must also maintain a Maximum Total Leverage Ratio (as defined in the Credit Agreement) of 2.5:1.0 between closing and December 30, 2013, which requirement decreases to (i) 2.25:1.0 on December 31, 2013; (ii) 2.00:1.0 on December 31, 2014; and (iii) 1.75:1.0 on December 31, 2015.

The New Credit Facility contains typical affirmative and negative covenants, including covenants that limit or restrict the ability of the Company and the guarantors to: incur certain additional indebtedness; make certain loans, investments or guarantees; pay dividends; make certain asset sales; incur certain liens or other encumbrances; conduct certain transactions with affiliates and enter into certain corporate transactions.

The New Credit Facility also contains customary events of default, including upon an acquisition or change of control or upon a change in the business and assets of the Company or a Guarantor that in each case is reasonably expected to have a material adverse effect on the Company or a guarantor. If an event of default occurs and is continuing under the New Credit Facility, the Lenders may, among other things, terminate their commitments and require immediate repayment of all amounts owed by the Company.

On February 8, 2013, the Company issued a press release announcing its entry into the New Credit Facility. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

IMAX ENTERS INTO EXPANDED \$200 MILLION CREDIT FACILITY

NEW YORK – Feb. 8, 2013 – IMAX Corporation (NYSE:IMAX; TSX:IMX) today announced it has entered into an amended senior secured credit facility for up to \$200 million with Wells Fargo Bank, National Association (NYSE: WFC), with the participation of Export Development Canada (EDC), the Canadian Imperial Bank of Commerce (CIBC), the Royal Bank of Canada (RBC), HSBC Canada, and the National Bank of Canada. Wells Fargo serves as administrative agent, sole lead arranger and sole bookrunner on the transaction. The new facility replaces IMAX’s previous \$110 million facility with Wells Fargo and EDC and will permit IMAX to undertake up to \$150 million in stock buybacks and dividends provided certain covenants are maintained. IMAX intends to use proceeds from the new facility to refinance the existing revolver and for general corporate purposes, such as funding its strategic initiatives, including its continued global expansion, ongoing working capital requirements, investments and capital expenditures. The maturity date of the new credit facility is Feb. 7, 2018, compared with a maturity date of Oct. 31, 2015, for the prior credit facility.

Borrowings under the new credit facility will bear interest at the reduced spread of 1.50% to 2.00% above LIBOR, depending on maximum total leverage outstanding.

“This new facility, coupled with the recurring cash generated by our business, will provide us with enhanced flexibility as we pursue our strategic initiatives and continue the global expansion of our business,” said Richard L. Gelfond, CEO of IMAX.
