The Notice of Annual Meeting, this document and the Form of Proxy will be mailed commencing on or about April 30, 2003 to registered holders of the Company's Common Shares as of the close of business on April 25, 2003, the record date for the annual Meeting.

SOLICITATION OF PROXIES BY MANAGEMENT

THIS PROXY CIRCULAR AND PROXY STATEMENT IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE MANAGEMENT OF IMAX CORPORATION (THE "COMPANY") OF PROXIES TO BE USED AT THE ANNUAL MEETING OF SHAREHOLDERS (THE "MEETING") OF SHAREHOLDERS OF THE COMPANY TO BE HELD ON WEDNESDAY, JUNE 4, 2003 AT THE FAMOUS PLAYERS IMAX(R) THEATRE AT PARAMOUNT FESTIVAL HALL, 259 RICHMOND STREET, WEST, TORONTO, ONTARIO, CANADA, AT 10:30 A.M., AND AT ANY ADJOURNMENTS THEREOF FOR THE PURPOSES SET FORTH IN THE ACCOMPANYING NOTICE OF ANNUAL MEETING. While management intends to solicit most proxies by mail, some proxies may be solicited by telephone or other personal contact by directors or officers of the Company. Directors and employees will not receive any additional compensation for such activity. The Company will, upon request, pay brokers and certain other persons who hold the Company's Common Shares for others, their reasonable expenses for sending proxy materials to the beneficial owners of the Company's Common Shares. The cost of solicitation will be borne by the Company.

INFORMATION ON VOTING

RECORD DATE FOR NOTICE OF ANNUAL MEETING AND PROVISIONS RELATING TO VOTING

The Board of Directors has fixed April 25, 2003 as the record date for the Meeting. Accordingly, each holder of Common Shares of record on that date is entitled to one vote for each Common Share shown as registered in the shareholder's name on the list of shareholders prepared as of April 25, 2003.

APPOINTMENT AND DELIVERY OF PROXIES

The persons named in the accompanying Form of Proxy are directors and officers of the Company. A shareholder has the right to appoint a person, who need not be a shareholder of the Company, other than the persons designated as proxyholders in the accompanying Form of Proxy, to attend and act on behalf of the shareholder at the Meeting. To exercise this right, a shareholder may either insert such other person's name in the blank space provided in the accompanying Form of Proxy, or complete another appropriate form of proxy.

To be valid, a proxy must be dated and signed by the shareholder or his attorney authorized in writing. The proxy, to be acted upon, must be deposited with the Company c/o its transfer agent, Computershare Trust Company of Canada, c/o Stock & Bond Transfer Dept., 100 University Avenue, Toronto, Ontario, Canada, M5J 2Y1, by 4:30 p.m., Eastern Daylight Saving Time, on Tuesday, June 3, 2003 or 4:30 p.m. on the last business day prior to the date of any adjournment of the Meeting, or with the chairman of the Meeting on the day of the Meeting or any adjournment of the Meeting prior to the commencement of the Meeting or the adjournment, as the case may be.

Unless otherwise indicated, all references in this document to dollar amounts are to U.S. dollars. All information contained in this document is as of April 25, 2003, unless otherwise indicated.

REVOCABILITY OF PROXIES

A shareholder who has given a proxy may revoke it by depositing an instrument in writing (including another proxy) executed by the shareholder or his attorney authorized in writing at the registered office of the Company at any time up to and including 4:30 p.m., Toronto time, on the last business day prior to the day of the Meeting or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting or at any adjournment thereof at any time before it is exercised on any particular matter or in any other manner permitted by law including attending the Meeting in person.

VOTING BY PROXY

For the purpose of voting by proxy, proxies marked as "WITHHOLD/ABSTAIN" will be treated as present for the purpose of determining a quorum but will not be counted as having been voted in respect of any matter to which the instruction to "WITHHOLD/ABSTAIN" is indicated.

On any ballot that may be called for regarding the matters listed in the Notice of Annual Meeting and in the Form of Proxy, the Common Shares represented by the enclosed Form of Proxy will be voted or withheld from voting in accordance with the instructions of the shareholder indicated thereon by marking an "X" in the boxes provided for the purpose on the Form of Proxy. In the absence of such instructions the Common Shares will be voted for: (i) the election of directors and (ii) the appointment of auditors and authorizing the directors to fix the auditors' remuneration, in each case, as referred to in this Proxy Circular and Proxy Statement.

Proxies returned by intermediaries as "non-votes" because the intermediary has not received instructions from the non-registered shareholder with respect to the voting of certain shares or, under applicable stock exchange or other rules, the intermediary does not have the discretion to vote those shares on one or more of the matters that come before the Meeting, will be treated as not entitled to vote on any such matter and will not be counted as having been voted in respect of any such matter. Shares represented by broker "non-votes" will, however, be counted in determining whether there is a quorum.

EXERCISE OF DISCRETION BY PROXIES

The person appointed as proxy has discretionary authority and may vote the Common Shares represented thereby as such person considers best with respect to amendments or variations to matters identified in the Notice of Annual Meeting, and with respect to any other matter which may properly come before the Meeting. As of the date of this Proxy Circular and Proxy Statement, management of the Company is not aware of any such amendment, variation or other matter proposed or likely to come before the Meeting. However, if any such amendment, variation or other matter properly comes before the Meeting, it is the intention of the persons named in the enclosed Form of Proxy to vote on such other business in accordance with their judgement.

On April 25, 2003, the Company had 32,973,366 Common Shares issued and outstanding, each carrying the right to one vote at all meetings of the shareholders of the Company (the "Common Shares")

When the 1999 Amended and Restated Standstill Agreement between and among WP, the Company and Messrs. Gelfond and Wechsler expired on June 30, 2001, WP's right to replace a designated director in the event of the resignation, death, disqualification under the Canada Business Corporations Act or the expiration of the term of such director terminated. PENSION PLANS

The Company maintains defined contribution employee pension plans for its employees, including its executive officers. The Company makes contributions to these plans on behalf of employees in an amount up to 5% of their base salary subject to certain prescribed maximums. During the fiscal year ended December 31, 2002, the Company contributed an aggregate of \$17,769 to the Company's defined contribution employee pension plan qualified under Section 401(k) of the U.S. Internal Revenue Code on behalf of Messrs. Gelfond, Wechsler, Foster, Joyce, Lister and Keighley.

On July 12, 2000, the Company established a defined benefit pension plan covering its two Co-Chief Executive Officers. The plan provides for a lifetime retirement benefit from age 55 determined as 75% of the member's best average 60 consecutive months of earnings during the 120 months preceding retirement. Once benefit payments begin, the benefit is indexed annually to the cost of living and further provides for 100% continuance for life to the surviving spouse. The benefits were 50% vested as of July 12, 2000, the plan initiation date. The vesting percentage increases on a straight-line basis from inception until age 55. The vesting percentage of a member whose employment terminates other than by voluntary retirement shall be 100%. Also, upon the occurrence of a change in control of the Company prior to termination of a member's employment, the vesting percentage shall become 100%. The Company currently estimates that the annual benefits upon retirement at normal retirement age (as defined in the plan) will be approximately \$0.9 million for each of the Co-Chief Executive Officers. The Company intends to use the proceeds of life insurance policies which were taken out contemporaneously with the establishment of the plan to satisfy, in whole or in part, benefits due and payable under the plan.

EMPLOYMENT CONTRACTS

On November 3, 1998 the Company entered into renewal employment agreements (the "1998 Agreements") with each of Messrs. Gelfond and Wechsler ("the Executives") with effect from July 1, 1998 for a three-year term. Under the 1998 Agreements, each of the Executives is to perform such services with respect to the Company's business as may be reasonably requested from time to time by the Board of Directors and which are consistent with his position as Co-Chief Executive Officer. In addition, the Company is to use its best efforts to cause the Executives to be elected to the Board of Directors. In addition, a provision contained in their original employment agreements, dated March 1, 1994, was continued, whereby each of the Executives is also entitled to receive, upon a sale of the Company or the exercise after March 1, 1999 by the Executives of their rights to require the Company to take action to liquidate their Common Shares under a shareholders' agreement among Wasserstein Perella Partners, L.P., Mr. Gelfond, Mr. Wechsler and certain other investors dated as of June 16, 1994, a cash bonus in an amount equal to the product of (a) 0.375% and (b) the amount by which the sale or liquidation transaction imputes an equity value in excess of Cdn. \$150,000,000 to the Common Shares originally issued by the Company (on a fully diluted basis but excluding the Common Shares issued upon the conversion of the Class B convertible preferred shares of the Company formerly outstanding which were converted into Common Shares on June 16, 1994 and the Common Shares issuable upon the exercise of warrants owned by each of Messrs. Gelfond and Wechsler). Under the 1998 Agreements, the Company is to equalize the Executives to the taxes which each of the Executives would have paid had he earned his employment compensation and paid taxes thereon solely in the United States. The employment agreements also contain non-competition provisions.

On July 12, 2000, the Company entered into amendments to the employment agreements of the Executives (the "2000 Amendments"). Under the 2000 Amendments, the last year of the Executives' employment term under the 1998 Agreements was cancelled, and the Executives' employment terms were extended for three additional years, with the new term running from July 12, 2000 through June 30, 2003, with the same cash compensation as had been agreed to in the 1998 Agreements. Because no change of control of the Company was effected by the end of 2000, however, the extension of the Executives' employment terms was nullified, and the term of the 1998 Agreement was reinstated. Pursuant to the 2000 Amendments, the Executives were each granted 800,000 options to purchase Common Shares in accordance with the Stock Option Plan, which options expire on July 12, 2010, as well as 180,000 restricted shares which, in the event that regulatory or shareholder approval is not obtained, are deemed phantom stock. The options and restricted shares, or phantom stock equivalent, became fully vested on June 30, 2001. Under the 2000 Amendments, the Company agreed to create a defined benefit plan, to provide retirement benefits for the Executives (see description of this plan under "Pension Plans" above). The 2000 Amendments further provide for the extension of the Executives' non-competition covenants to four years beyond termination of employment and for the agreement by the Executives to consult with the Company for three years following the end of their employment with the Company.

On April 3, 2001, the Company entered into amendments to the employment agreements of the Executives (the "2001 Amendments"). Under the 2001 Amendments, the Executives' employment terms were each extended for one additional year, with the new term running through June 30, 2002. The 2001 Amendments also provide that each of the Executives can receive a bonus for 2001 and the period December 31, 2001 through June 30, 2002 of \$500,000 and \$250,000, respectively, adjusted by a multiple of zero to two times, tied to the performance of the Company and certain qualitative and quantitative measures determined by the Board of Directors. Pursuant to the 2001 Amendments, each of the Executives received restricted stock grants of 500,000 Common Shares, 325,000 of which were granted in exchange for the surrender by each of the Executives of 1,300,000 previously granted options on April 3, 2001. The restrictive covenants, including non-competition provisions, of the Executives' existing employment agreements, as well as other provisions not modified by the 2001 Amendments, remain in force.

On April 23, 2002, the Company entered into amendments to the employment agreements of the Executives (the "2002 Amendments"). COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2002, three members of the Board of Directors served as members of the Compensation Committee: Messrs. Girvan, Koffler and Ziebold.

The law firm of McCarthy Tetrault, of which Mr. Girvan is a senior partner, provided legal services to the Company on several matters in 2002 and is expected to provide legal services in 2003.

No executive officers of the Company serves on the board of directors or compensation committee of any other entity that has or has had one or more of its executive officers serving as a member of the Company's Board of Directors.

REPORT ON EXECUTIVE COMPENSATION

COMPOSITION OF COMPENSATION COMMITTEE

The Board of Directors constituted a Compensation Committee in November 1996. The members of the Compensation Committee are Messrs. Girvan, Koffler and Ziebold. As the Compensation Committee did not participate in executive compensation decisions in respect of 2002, other than the compensation of Messrs. Gelfond and Wechsler, the compensation of the Company's employees was established through guidelines set by the Board of Directors.

Compensation for all of the Company's employees, including its Named Executive Officers, is based on each employee's job responsibilities and on his or her individual performance over time. The Company's executive compensation program has three principal components: base salary, annual variable incentive compensation and stock options. The Company believes these components collectively provide a fair and competitive pay package and an appropriate relationship between an executive's compensation, the executive's performance and the Company's performance.

BASE SALARY

A salary range is established for each salaried position in the Company, including each Named Executive Officer position other than the Executives. The midpoint of each salary range is generally equal to the average salary of equivalent positions at other comparable companies. Each executive officer's base salary is determined by reviewing his or her sustained job performance over time, based on individual performance and performance of the business or staff unit over which the executive officer exercises responsibility. Business or staff unit performance is assessed on return on total capital, achievement of sales or production targets, effectiveness of cost-containment measures, progress toward implementation of process improvements and other factors relevant to each executive officer's position. The relative weight attributed to each factor, with respect to each executive officer, is an inherently subjective judgement.

ANNUAL INCENTIVE COMPENSATION

Certain employees of the Company, including most of its executive officers other than the Co-Chief Executive Officers, receive a portion of their annual compensation in the form of bonuses under the Management Incentive Plan. Bonuses are awarded under this plan provided annual operating objectives targets are achieved by the Company and provided that personal performance standards are achieved by the participating employees. An aggregate of \$1,293,204 has been paid to all employees participating in this plan in respect of 2002.

STOCK OPTIONS

The Company's long-term incentive compensation for executive officers and other key managers is provided through grants of stock options. The Company has a stock option plan (the "Stock Option Plan") under which the Company may grant options to officers, employees, consultants and eligible directors ("Participants") to purchase Common Shares on terms that may be determined, within the limitations of the Stock Option Plan. The Stock Option Plan has received shareholder approval and is administered by the Option Committee of the Board of Directors. The number of stock options granted is determined by a competitive compensation analysis and is based on each individual's salary range and responsibility.

All grants pursuant to the Stock Option Plan are made with an exercise price equal to the fair market value of the Company's Common Shares on the date of grant. An option will be exercisable for a maximum period of 10 years from the date of grant, subject to earlier termination if the Participant's employment, consulting arrangement or term of office with the Company terminates. The Board of Directors determines vesting requirements. If a Participant's employment, consulting arrangement or term of office with the Company terminates for any reason, any options which have not vested will generally be surrendered for cancellation without any consideration being paid therefor. If the Participant's employment, consulting arrangement or term of office is terminated without cause or by reason of such Participant's resignation, death or permanent disability, the Participant (or the Participant's estate) will generally be entitled to exercise the Participant's vested options for a period thereafter. If the Participant's employment, consulting arrangement or term of office is terminated for cause, such Participant's vested options will be surrendered for cancellation without any consideration being paid therefor. If the Participant is a party to an employment agreement with the Company or any of its subsidiaries and breaches any of the restrictive covenants in such agreement, such Participant will be required to surrender all unexercised options for cancellation without any consideration being paid therefor and will be obligated to pay to the Company an amount equal to the aggregate profit realized by such Participant with respect to any prior option exercises. Options to purchase 5,640,898 Common Shares have been granted and are outstanding under the Stock Option Plan as of December 31, 2002. Of those outstanding options, 31.6%, or 1,783,472 options, have exercise prices above \$20 per option. Under the terms of the Stock Option Plan, the maximum number of Common Shares that the Company may issue under options is 8,340,798 Common Shares as of December 31, 2002. In 2002, 1,155,581 options were cancelled by or forfeited to the Company. During 2002, stock options were granted to certain of the Company's executive officers and other Stock Option Plan Participants. Certain Named Executive Officers received options to purchase Common Shares of the Company, as detailed in the Option Grants Table above. In determining the number of options to grant to the Named Executive Officers, consideration was given to information about stock option grants to executive officers in comparable companies and the number of options granted to other executive officers.

COMPENSATION OF CO-CHIEF EXECUTIVE OFFICERS

The Compensation Committee of the Board of Directors was constituted in November 1996 to make recommendations to the Board of Directors regarding the compensation of the Co-Chief Executive Officers, Messrs. Gelfond and Wechsler. The pay-for-performance philosophy of the Company's executive compensation program applies equally to the Co-Chief Executive Officers. The compensation of the Co-Chief Executive Officers was recommended by the Compensation Committee and approved by the Board of Directors after careful assessment of their personal contributions to the performance of the Company. The assessment of the Co-Chief Executive Officers' performance was based on a number of quantitative and qualitative factors, which included corporate financial results and strategic planning.

The foregoing Report on Executive Compensation, dated April 30, 2003, has been furnished by G.M. Girvan, M.B. Koffler and W.T. Ziebold, as members of the Compensation Committee and by K.G. Copland, J.T. Eyton, M. Fuchs, G.M. Girvan, E.B. Jones, G.E. King, M.B. Koffler, M.A. Utay and W.T. Ziebold, as members of the Board of Directors.

CORPORATE GOVERNANCE

With shares listed on the TSX and NASDAQ, the Company reviews its governance policies and practices against international standards under the direction of its Board of Directors and Governance Committee.

The TSX passed a by-law in 1995 which requires companies incorporated in Canada and listed on the TSX to disclose their corporate governance practices in their annual meeting materials. This by-law contains a number of guidelines (the "TSX Guidelines") relating to corporate governance practices which have been considered in light of the unique opportunities and challenges facing the Company, as well as the nature of its share ownership.

The Board of Directors of the Company is responsible for the supervision of the management of the Company and for the overall strategic direction of its business. The Board of Directors is also responsible, with the assistance of management, for the identification of the risks and opportunities of the Company's business and for monitoring how effectively the Company meets these risks and capitalizes upon the opportunities. The corporate governance practices of the Company have been designed and followed to assist the Company in meeting its core objectives and to enhance shareholder value.

The Board of Directors is currently composed of 11 directors. Two of the directors, Messrs. Gelfond and Wechsler are inside management directors and are considered to be "related" within the meaning of the TSX Guidelines. Messrs. Copland, Eyton, Fuchs Girvan, Jones, King, Koffler, Utay and Ziebold are outside directors and are considered to be "unrelated" within the meaning of the TSX Guidelines. The Board of Directors considers that directors who are "related" within the meaning of the Guidelines are able to, and do, act with a view to the best interests of the Company and that their relationships with the Company are central to their ability to act in its best interests. If the directors nominated in this circular are elected at the Meeting, the ratio of inside management directors to outside directors will not change.

The corporate governance practices followed by the Company were originally instituted prior to the time the Company went public as one aspect of the efforts of the new owners of the Company to introduce new strategic directions to the Company. Key elements of these corporate governance practices are contained in the Shareholders' Agreement which contains provisions relating to the composition of the Board of Directors and committees of the Board of Directors (see description of this agreement under "Certain Relationships And Related Transactions - Shareholders' Agreement" below) and the Articles of the Corporation which contain provisions relating to the approval of certain matters by the directors (see description of these provisions under "Articles of the Corporation" below).

The Board of Directors appoints the Company's Audit Committee, Compensation Committee, Governance Committee, Nominating Committee and Option Committee.

AUDIT COMMITTEE

The Audit Committee is currently composed of Messrs. Girvan, King and Ziebold, each of whom are considered independent directors (as defined in Rule 4200 (a)(14) of the National Association of Securities Dealers ("NASD") listing standards) and they satisfy the NASDAQ National Market's requirements relating to the qualification of its members and their required understanding of financial statements and financial affairs. The membership of the Audit Committee also complies with the TSX Guidelines. The Audit Committee operates under a written mandate, the Audit Committee Charter, adopted by the Company's Board of Directors. A copy of the Audit Committee Charter is attached as Appendix A to this proxy circular and proxy statement. The preceding information in this paragraph shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates it by reference in such filing. The Audit Committee meets with the external auditors of the Company, both with and without management present, to review the Company's accounting policies, its quarterly and year-end financial statement information and their presentation, and significant financial issues which may arise for the Company. The Audit Committee will review and assess the adequacy of the Audit Committee Charter on an annual basis.

COMPENSATION COMMITTEE

The Compensation Committee is currently composed of Messrs. Girvan, Koffler and Ziebold. The Compensation Committee is responsible for setting objectives for the Co-Chief Executive Officers, assessing their performance on a periodic basis and reviewing the Stock Option Plan, from time to time. The Report on Executive Compensation is located above.

GOVERNANCE COMMITTEE

The Governance Committee is currently composed of Messrs. Girvan, Fuchs and Utay. In light of recent developments in corporate governance requirements and the disclosure thereof, the Company established a formal governance committee in the fall of 2002. The Governance Committee is responsible for monitoring and evaluating the Company's compliance, particularly with regard to the recently enacted regulations in connection with the Sarbanes-Oxley Act of 2002, monitoring and evaluating compliance with the Company's articles, bylaws and governance agreements; monitoring and evaluating the Company's corporate policies and practices, with particular attention to the Company's disclosure and trading policies; and monitoring the effectiveness of the Board of Directors in the discharge of its general oversight responsibilities.

OPTION COMMITTEE

The Option Committee is currently composed of Messrs. Girvan and Utay. The Option Committee is responsible for performing the functions required of it under the Stock Option Plan including the grant of options to Participants under the Stock Option Plan, from time to time, subject to guidelines determined by the Company's human resources department and the Compensation Committee.

NOMINATING COMMITTEE

The Nominating Committee is currently composed of Messrs. Gelfond and Ziebold. The Nominating Committee is responsible for identifying and recommending potential candidates for election to the Board of Directors. The Nominating Committee has full discretion in considering its nominations to the Board of Directors. The Nominating Committee recommends that the Board of Directors nominate Messrs. Braun, King and Ziebold for election as Class I directors at the Meeting. Messrs. Gelfond and Wechsler designated Mr. Fuchs as their nominee for election as a Class I director pursuant to the Shareholders' Agreement (see description of this agreement under "Certain Relationships And Related Transactions - Shareholders' Agreement" below) and the GW Standstill Agreement (see description of this agreement below).

If the directors nominated in this circular are elected at the Meeting, the new Board of Directors will determine committee memberships for the next year.

The Board of Directors has not felt it necessary to add to the procedures currently in place to ensure its independence from management. The Board of Directors believes that the participation of those members of the management of the Company who are on the Board of Directors has been an essential element in the Board of Directors' ability to meet its objectives. All directors exercise critical independent judgement and the outside directors have unrestricted direct access to both the executives of the Company and its external auditors. To date there has been no necessity for discussion of a system enabling an individual director to engage an outside advisor at the expense of the Company.

The Board of Directors regards its corporate governance practices as appropriate for its business and shareholders and as an efficient and effective tool in the discharge of its responsibilities.

STANDSTILL AGREEMENT

On July 9, 2001 pursuant to Section 3(c)(iv) of the Shareholders' Agreement (see description of this agreement under "Certain Relationships And Related Transactions - Shareholders' Agreement" below) the Company and each of Messrs. Gelfond and Wechsler entered into a Standstill Agreement (the "GW Standstill Agreement"). Under the terms of the GW Standstill Agreement, each of Messrs. Gelfond and Wechsler agreed to vote in any election for directors in favour of each person nominated by the then current Board of Directors, not to participate in or facilitate proxy contests, not to deposit into a voting trust or subject voting securities to an agreement with respect to voting such securities, not to acquire or affect or attempt to acquire or affect control of the Company or to participate in a "group" as defined pursuant to Section 13(d) of the Exchange Act, which owns or seeks to acquire beneficial ownership or control of the Company, and not to attempt to influence the Company except through normal Board of Directors' processes; provided, however, that the GW Standstill Agreement does not prevent either of Messrs. Gelfond and Wechsler from taking any action in his capacity as an officer or employee of the Company or any of its subsidiaries, including as Co-Chief Executive Officer or Co-Chairman of the Company. As a result of entering into the GW Standstill Agreement, in the event of the resignation, death, disqualification under the Canada Business Corporations Act or the removal or expiration of the term of any director designated by Messrs. Gelfond and Wechsler pursuant to the Shareholders' Agreement, Messrs. Gelfond and Wechsler shall have the right to designate a replacement for such director pursuant to the terms of the Shareholders' Agreement, and Wasserstein Perella shall use its best efforts to cause each such designated director to be elected or appointed as a director of the Company. The GW Standstill Agreement expires on July 8, 2003, and provides that Messrs. Gelfond and Wechsler may, from time to time, extend the term of the GW Standstill Agreement for additional one-year terms thereafter (but in no event beyond March 1, 2004).

ARTICLES OF THE CORPORATION

The Articles of the Corporation set forth the requirement that certain matters be approved by 75% of the directors then in office. These matters are: (i) hiring or terminating the employment of the Chief Executive Officer or any Co-Chief Executive Officer of the Company; (ii) issuing any shares of capital stock for a purchase price, or incurring indebtedness, in an amount of \$25 million or more; (iii) disposing of any material single asset, or all or substantially all of the assets of the Company or approving the sale or merger of the Company; (iv) acquiring a substantial interest in any other entity or entering into any major strategic alliance; and (v) entering into or changing the terms of any agreement or transaction with WP or Messrs. Gelfond and Wechsler (other than agreements in the ordinary course of business, such as employment agreements).

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

No director or executive officer of the Company, nor any nominee for election as a director or any security holder of record as of the date of this circular who owned, of record or to the Company's knowledge, more than 5% of the outstanding Common Shares, or any member of such person's immediate family, had any material interest, direct or indirect, in any transaction during the last fiscal year, or since the commencement of the current fiscal year, in any completed or proposed transaction which has materially affected or will materially affect the Company except:

The law firm of McCarthy Tetrault, of which Mr. Girvan is a senior partner, provided legal services to the Company on several matters in 2002 and is expected to provide legal services in 2003.

Mr. Utay, a director of the Company entered in to an arrangement to provide consulting services to the Company in connection with the purchase by the Company and a wholly-owned subsidiary of the Company of certain Subordinated Notes in 2002 (the purchase transaction is more fully described in Recent Sales of Unregistered Securities in Item 5 in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002). In consideration of these services rendered by Mr. Utay, on December 4, 2002, Mr. Utay was granted 150,000 options to purchase Common Shares in accordance with the Company's Stock Option Plan. The market value of the Common Shares underlying the options was equal to the exercise price on the date of the grant. Also, in 2002 Mr. Utay provided services to the Company in connection with a potential banking arrangement for which he was paid a fee of \$100,000. Mr. Utay is a Managing Partner of Clarion Capital Partners, LLC which leases office space from the Company for an annual rent of approximately \$150,000.

SHAREHOLDERS' AGREEMENT

The Company, Wasserstein Perella Partners, L.P., Wasserstein Perella Offshore Partners, L.P., WPPN, Inc., and the Michael J. Biondi Voting Trust (collectively "WP"), and each of Messrs. Gelfond and Wechsler are parties to a Second Amended and Restated Shareholders' Agreement (the "Shareholders' Agreement") dated as of February 9, 1999, which amends and restates the previous amended and restated shareholders' agreement among those parties dated June 16, 1994. The Shareholders' Agreement includes, among other things, certain restrictions on transfers of Common Shares, take-along rights and come-along rights. If WP holds at least 35% of their original holdings and WP desires to transfer all of their securities in a transaction in which a majority of the shares of outstanding common stock are to be sold, then Messrs. Gelfond and Wechsler will be required to sell their securities on the same terms as WP sells its securities.

The Shareholders' Agreement also contains provisions related to the composition of the Board of Directors and committees thereof. WP was entitled, but not required, to designate individuals to be nominated for election as directors as follows: so long as WP held 3,685,759 or more Common Shares, it could designate six nominees, of whom three could be employees of WP and its affiliates (the "WP Employee Designees") and three were required to be independent persons and resident Canadians. If WP held less than 3,685,759 Common Shares, but 1,842,879 or more Common Shares, it could designate four nominees, of whom two could be WP Employee Designees and two were required to be independent persons and resident Canadians. If WP held less than 1,842,879 Common Shares but 921,439 or more Common Shares, it could designate two nominees, one of whom could be a WP Employee Designee and the other of whom was required to be an independent person and a resident Canadian. When the 1999 Standstill Agreement between and among WP, the Company and Messrs. Gelfond and Wechsler expired on June 30, 2001, WP's right to replace a designated director in the event of the resignation, death, disqualification under the Canada Business Corporations Act or the expiration of the term of such director terminated. In addition to these provisions, each of Messrs. Gelfond and Wechsler is entitled to be a director of the Company so long as he is either a Co-Chief Executive Officer or is the Chief Executive Officer of the Company or Messrs. Gelfond and Wechsler own more than 375,000 Common Shares. In addition, Messrs. Gelfond and Wechsler are collectively entitled, but not required, to designate individuals to be nominated for election as directors as follows: so long as they hold 1,628,000 or more Common Shares, they may designate three nominees, all of whom shall be independent persons and resident Canadians. If they hold less than 1,628,000 Common Shares, but 1,075,000 or more Common Shares, they may designate two nominees, both of whom shall be independent and resident Canadians. If they hold less than 1,075,000 Common Shares but 375,000 or more Common Shares, they may designate one nominee who shall be an independent person and resident Canadian. If the requirement that the Company have 'resident Canadian' directors is changed, then neither WP nor Messrs. Gelfond and Wechsler will be required to designate resident Canadian nominees.

The Shareholders' Agreement also provides that the Company, WP and each of Messrs. Gelfond and Wechsler shall use their best efforts to cause the Company to establish a nominating committee of the Board of Directors consisting of two directors, one designated by WP and the other designated by Messrs. Gelfond and Wechsler. The Shareholders' Agreement provides WP with the right, subject to the approval of Messrs. Gelfond and Wechsler, to designate a WP Employee Designee for appointment by the Board of Directors of the Company as the Non-Executive Chairman of the Board, as long as WP holds at least 2,948,607 Common Shares. W. Townsend Ziebold has been approved as such designee. Each of Messrs. Gelfond and Wechsler is entitled to be appointed as a Co-Chairman or Chairman of the Company as long as he is a Co-Chief Executive Officer or the Chief Executive Officer of the Company. The Agreement provides that the duties of the Non-Executive Chairman and the Co-Chief Executive Officers shall be as set forth in the Bylaws, including the requirement that the following actions be approved by the Non-Executive Chairman and at least one of the Co-Chief Executive Officers:

setting the dates and times of meetings of the directors and shareholders (other than normal quarterly Board of Directors, and annual shareholders meetings), setting the agenda of such meetings, and appointing members of

committees of the Board of Directors other than persons designated by WP and Messrs. Gelfond and Wechsler as provided in the Shareholders' Agreement. Each of WP and Messrs. Gelfond and Wechsler have the right to designate one director to serve on each committee of the Board of Directors of the Company, provided that each such person meets applicable regulatory requirements.

Each of WP and Messrs. Gelfond and Wechsler agreed to use their best efforts to cause there no longer to be CEO Advisors as of the date upon which all of WP's employee designees are elected as directors of the Company. All of the WP employee designees were elected as directors at the Company's annual and special meeting of shareholders held June 7, 1999 and the CEO Advisors were disbanded in June 1999.

REGISTRATION RIGHTS AGREEMENT

The Company, WP and Messrs. Gelfond and Wechsler entered into a registration rights agreement (the "Registration Rights Agreement") dated as of February 9, 1999, which carried forward the corresponding provisions of the June 16, 1994 shareholders' agreement, and pursuant to which each of WP and Messrs. Gelfond and Wechsler have certain rights to cause the Company to use its best efforts to register their securities under the U.S. Securities Act of 1933 (the "1933 Act"). WP was entitled to effect up to four demand registrations and Messrs. Gelfond and Wechsler are entitled to make two such demand registrations. WP and Messrs. Gelfond and Wechsler also have unlimited piggyback rights to register their securities under the Registration Rights Agreement whenever the Company proposes to register any securities under the 1933 Act, other than the registration of securities pursuant to an initial public offering or the registration of securities upon Form S-4 or S-8 under the 1933 Act or filed in connection with an exchange offer or an offering of securities solely to the Company's existing shareholders. In addition to these provisions, if Messrs. Gelfond and Wechsler hold at least 25% of their original holdings, WP has recouped its original investment plus a 30% compounded annual return on such investment, and WP initiates the sale of the Company, then for 60 days thereafter, WP will enter into exclusive negotiations with Messrs. Gelfond and Wechsler for the sale of the Company, and for another 60 days, thereafter WP may not enter into an agreement for the sale of the Company to a third party.

WP, Messrs. Gelfond and Wechsler, and certain shareholders of the Company have entered into another shareholders' agreement on March 1, 1996 (the "Selling Shareholders' Agreement") which includes, among other things, registration rights, tag along rights and drag along rights.

AUDITOR INDEPENDENCE

PricewaterhouseCoopers, LPP ("PWC") are the principal independent accountants of the Company.

In February 2003, the Audit Committee of the Company recommended for approval, and the Board of Directors of the Company approved, a policy that thereafter, without the approval of the Audit Committee, the Company's auditors would be retained solely to provide audit and audit-related services.

AUDIT FEES

PWC billed the Company \$340,518 for professional services rendered in connection with the audit of the Company's annual financial statements for the fiscal year ended December 31, 2002, and review of the quarterly financial statements during the fiscal year ended December 31, 2002.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

PWC did not provide the Company with any services in connection with financial information systems design or implementation fees in 2002.

ALL OTHER FEES

PWC billed the Company an aggregate of \$167,506 for all services rendered in 2002, other than the services described above. The Audit Committee has considered whether the provision of these services is compatible with maintaining PWC's independence.

REPORT OF THE AUDIT COMMITTEE

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the fiscal year ended December 31, 2002.

The Audit Committee meets privately with PWC on a periodic basis and PWC has unrestricted access to the Audit Committee. The Audit Committee has reviewed and discussed the Company's audited financial statements for the fiscal year ended December 31, 2002 with senior management. The Audit Committee has discussed with PWC the matters required to be discussed by SAS 61 (Codification of Statements on Accounting Standards) which include, among other items, matters related to the conduct of the audit of the Company's financial statements. The Audit Committee has also received written disclosures and the letter from PWC required by Independence Standards Board Standard No. 1 (which relates to the accountant's independence from the Company and related entities) and has discussed with PWC their independence from the Company. Based on the review and discussions referred to above, the Audit Committee recommended to the Company's Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K and the Company's Annual Information Form for the fiscal year ended December 31, 2002.

The information contained in this report shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates it by reference in such filing.

The foregoing Report of the Audit Committee, dated April 30, 2003, has been furnished by G.M. Girvan, G.E. King and W.T. Ziebold as members of the Audit Committee of the Board of Directors.

APPOINTMENT OF AUDITORS

At the Meeting, the shareholders will be asked to approve, by ordinary resolution, the appointment of PricewaterhouseCoopers LLP, Chartered Accountants, as auditors of the Company to hold office until the close of the next annual meeting of shareholders at a remuneration rate to be fixed by the Board of Directors. PWC, or one of its predecessors, have been the auditors of the Company for more than five years.

Representatives of PWC are expected to be present at the Meeting and to be available to respond to appropriate questions and to make statements as they desire.

Shareholders will be asked to approve the appointment by ordinary resolution, which requires that a majority of the votes cast at the Meeting be in favour of the resolution. IN THE ABSENCE OF ANY INSTRUCTION ON THE ACCOMPANYING FORM OF PROXY, IT IS THE INTENTION OF THE PERSONS NAMED BY MANAGEMENT IN THE FORM OF PROXY TO VOTE THE COMMON SHARES REPRESENTED BY THE FORM OF PROXY IN FAVOUR OF THE RESOLUTION.

AVAILABLE INFORMATION

The Company makes available free of charge its annual reports on Form 10-K, quarterly reports on Form 10-Q and current reports on Form 8-K as soon as reasonably practicable after the such filing has been made with the Securities and Exchange Commission.
