## THE COMPANY

### IMAX Corporation

We, together with our wholly-owned subsidiaries, are one of the world's leading entertainment technology companies, specializing in motion picture technologies and large-format motion picture presentations. Our principal business is the design and manufacture of large-format digital and film-based theatre systems ("IMAX theater systems") and the sale or lease of IMAX theater systems or the contribution of IMAX theater systems under revenue-sharing arrangements to our customers. Our customers who purchase, lease or otherwise acquire the IMAX theater systems are theater exhibitors that operate commercial theaters (particularly multiplexes), museums, science centers, or destination entertainment sites. We generally do not own IMAX theaters, but we license the use of our trademarks along with the sale, lease or contribution of our equipment.

We derive revenue principally from the sale or long-term lease of IMAX theater systems and associated maintenance and extended warranty services, the installation of IMAX theater systems under joint revenue sharing arrangements, the provision of film production and digital re-mastering services, the distribution of certain films, and the provision of post-production services, including the conversion of two-dimensional and three-dimensional Hollywood feature films for exhibition on IMAX theater systems around the world. We also derive revenue from the operation of our own theaters, camera rentals and the provision of aftermarket parts for our own system components.

We believe that the IMAX theater network is the most extensive large-format theater network in the world with 470 IMAX theaters (348 commercial, 122 institutional) operating in 45 countries as at September 30, 2010.

We were formed in March 1994 as a result of an amalgamation between WGIM Acquisition Corp. and our predecessor, IMAX Corporation. The predecessor IMAX was incorporated in 1967.

Our principal executive offices are located in: Mississauga, Ontario, Canada; New York, New York; and Santa Monica, California. The address and phone number for our Mississauga office is as follows: 2525 Speakman Drive, Mississauga, Ontario, Canada L5K 1B1, (905) 403-6500. The address and phone number for our New York office is as follows: 115 E. 59th Street, Suite 2100, New York, New York, 10022, (212) 821-0100. The address and telephone number for our Santa Monica office is as follows: 3003 Exposition Blvd., Santa Monica, California, 90405, (310) 255-5500.

## RISK FACTORS

An investment in our securities involves a high degree of risk. Prior to making a decision about investing in our securities, you should carefully consider the risks described in the section entitled “Risk Factors” in any prospectus supplement and the risks described in the Company’s most recent Annual Report on Form 10-K filed with the SEC and incorporated by reference into this prospectus, in each case as these risk factors are amended or supplemented by subsequent Quarterly Reports on Form 10-Q filed with the SEC and incorporated by reference into this prospectus. The occurrence of any of these risks could materially adversely affect our business, operating results and financial condition.

The risks and uncertainties we describe are not the only ones facing our Company. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also impair our business or operations. Any adverse effect on our business, financial condition or operating results could result in a decline in the value of the securities and the loss of all or part of your investment.

## USE OF PROCEEDS

We will not receive any proceeds from the sale of common shares by any selling shareholders. All of the common shares offered by the selling shareholders pursuant to this prospectus will be sold by the selling shareholders for their own accounts. We have agreed to pay certain expenses in connection with the registration of share being offered by the selling shareholders.

## SELLING SHAREHOLDERS

This offering is being made solely to allow selling shareholders to offer and sell shares of our common shares to the public. The selling shareholders may offer for resale some of their common shares at the time and price that they chose. On any given day, the price per share is likely to be based on the market price of our common shares, as quoted on NASDAQ on the date of sale, unless shares are sold in private transactions. Consequently, we cannot currently determine the price at which the common shares offered for resale pursuant to this prospectus may be sold.

This prospectus relates to the resale from time to time of up to a total of 2,726,447 common shares by the selling shareholders. The following table sets forth information with respect to the current beneficial ownership of the selling shareholders, the number of common shares being offered hereby by each selling shareholder and information with respect to shares to be beneficially owned by each selling shareholder after completion of this offering. ## DESCRIPTION OF COMMON SHARES

Our authorized capital stock consists of an unlimited number of common shares. As of December 31, 2010, there were 64,145,573 common shares outstanding. Our common shares are quoted on the NASDAQ Global Market under the symbol "IMAX" and are listed on the Toronto Stock Exchange under the symbol "IMX."

The following description of our common shares and provisions of our articles and by-law is only a summary. The description may not be complete and is subject to, and qualified in its entirety by reference to, the terms and provisions of our articles and by-law, which are exhibits to the registration statement which contains this prospectus. We encourage you to review complete copies of our articles and by-law.

### **Voting Rights**

Each holder of our common shares is entitled to one vote for each share on all matters submitted to a vote of our stockholders, including the election of our directors. The rights attached to the common shares do not provide for cumulative voting rights or preemptive rights. Accordingly, the holders of a majority of our outstanding common shares entitled to vote in any election of directors can elect all of the directors standing for election, if they should so choose.

### **Dividends**

The holders of common shares are entitled to receive dividends if, as and when declared by our board of directors, subject to the rights of the holders of any other class of our shares entitled to receive dividends in priority to the common shares. Certain of the instruments governing our existing indebtedness restrict our rights to pay dividends to the holders of the common shares.

### **Liquidation, Dissolution or Winding Up**

If we liquidate, dissolve or wind up, the holders of our common shares are entitled to share ratably in all assets legally available for distribution to stockholders after payment of any liquidation or distribution preference payable with respect to any other then outstanding classes of stock entitled to such preference.

### **Rights and Preferences**

Our common shares have no preemptive, conversion or subscription rights. There are no redemption or sinking fund provisions applicable to our common shares.

### **Board Classification**

Under our articles, our board of directors is divided into three classes, each of which serves for a three year term.

### **Change of Control**

Under Canadian law, the affirmative vote of two-thirds of the votes cast is required for shareholder approval of an amalgamation (other than certain short form amalgamations), for any sale, lease or exchange of all, or substantially all, of our assets, if not in the ordinary course of our business, and certain other fundamental changes including an amendment to the articles of amalgamation. Other shareholder action is generally decided by a majority of the votes cast at a meeting of shareholders.

There is no limitation imposed by Canadian law or by our articles or other charter documents on the right of a non-resident to hold or vote common shares, other than as provided by the Investment Canada Act, which requires notification and, in certain cases, advance review and approval by the Government of Canada of the acquisition by a non-Canadian of control of a Canadian business.

The authorization of undesignated special shares in our articles makes it possible for our board of directors to issue special shares with rights or preferences that could impede the success of any attempt to change control of us. These and other provisions may have the effect of deterring hostile takeovers or delaying changes in control or management of us.

### **Transfer Agent and Registrar**

The transfer agent and registrar for our common shares is Computershare Trust Company N.A. in the United States and Computershare Investor Services Inc. in Canada.

## PLAN OF DISTRIBUTION

The selling shareholders and any of their pledgees, assignees and successors-in-interest may, from time to time, sell any or all of our common shares on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These sales may be at fixed or negotiated prices. The selling shareholders may use any one or more of the following methods when selling common shares:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- settlement of short sales;
- broker-dealers may agree with the selling shareholders to sell a specified number of such shares at a stipulated price per share;
- a combination of any such methods of sale;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise; or
- any other method permitted pursuant to applicable law.

The selling shareholders may also sell shares under Rule 144 under the Securities Act, if available, rather than under this prospectus.

Broker-dealers engaged by the selling shareholders may arrange for other broker-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling shareholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. The selling shareholders do not expect these commissions and discounts relating to such sales of shares to exceed what is customary in the types of transactions involved.

In connection with the sale of our common shares or interests therein, the selling shareholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of our common shares in the course of hedging the positions they assume. The selling shareholders may also sell our common shares short and deliver these securities to close out their short positions, or loan or pledge the common shares to broker-dealers that in turn may sell these securities. The selling shareholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The selling shareholders and any broker-dealers or agents that are involved in selling the shares may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. The selling shareholders have informed us that they do not have any agreement or understanding, directly or indirectly, with any person to distribute the common shares.

Because the selling shareholders may be deemed to be “underwriters” within the meaning of the Securities Act, they will be subject to the prospectus delivery requirements of the Securities Act. In addition, any securities covered by this prospectus which qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than under this prospectus. The selling shareholders have advised us that they have not entered into any agreements, understandings or arrangements with any

underwriter or broker-dealer regarding the sale of the common shares. There is no underwriter or coordinating broker acting in connection with the proposed sale of the common shares by the selling shareholders.

The shares will be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states, the shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the common shares may not simultaneously engage in market making activities with respect to the common shares for the applicable restricted period prior to the commencement of the distribution. In addition, the selling shareholders will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of the common shares by the selling shareholders or any other person. We will make copies of this prospectus available to the selling shareholders and have informed the selling shareholders of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale.

We will not receive any proceeds from the sale of the shares by the selling shareholders.

## LEGAL MATTERS

Unless otherwise specified in a prospectus supplement, the validity of our common shares will be passed upon for us by McCarthy Tétrault LLP. Shearman & Sterling LLP is acting as our U.S. counsel.

## EXPERTS

The audited financial statements, the related financial statement schedules and management's assessment of the effectiveness of internal control over financial reporting (which is included in Management's Report on Internal Control Over Financial Reporting), incorporated in this prospectus by reference to our Annual Report on Form 10-K for the year ended December 31, 2009 have been so incorporated in reliance on the report of PricewaterhouseCoopers LLP, an independent registered public accounting firm, given on the authority of said firm as experts in auditing and accounting.

**Item 15. Indemnification of Directors and Officers**

The following summary is qualified in its entirety by reference to the sections of the Canada Business Corporations Act (“CBCA”) and the registrant’s By-Law No. 1 (the “By-Law”) referred to below.

Section 124 of the CBCA and Section 7 of the registrant’s By-Law No. 1 provide for the indemnification of directors and officers of the registrant. Under these provisions, the registrant shall indemnify a director or officer of the registrant (or a former director or officer) against all costs, charges and expenses, including amounts paid to settle an action or satisfy a judgment, reasonably incurred by such director or officer in respect of any civil, criminal, administrative, investigative or other proceeding (other than in respect of an action by or in right of the registrant) to which such individual is made a party by reason of his position with the registrant, if he fulfills the following two conditions: (a) he acted honestly and in good faith with a view to the best interests of the registrant; and (b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, he had reasonable grounds for believing that his conduct was lawful. In respect of an action by or on behalf of the registrant to procure a judgment in its favor, the registrant, with the approval of a court, may indemnify a director or officer of the registrant (or a former director or officer) against all costs, charges and expenses reasonably incurred by him in connection with such action if he fulfills the conditions set out in clauses (a) and (b) of the previous sentence.

Section 7.4 of the registrant’s By-Law No. 1 also provides that, to the extent permitted by law, no director or officer for the time being of the registrant shall be liable for the acts, receipts, neglects or defaults of any other director or officer or employee or for joining in any receipt or act for conformity or for any loss, damage or expense happening to the registrant through the insufficiency or deficiency of title to any property acquired by the registrant or for or on behalf of the registrant or for the insufficiency or deficiency of any security in or upon which any of the moneys of or belonging to the registrant shall be placed out or invested or for any loss or damage arising from the bankruptcy, insolvency or tortious act of any person, firm or body corporate with whom or which any moneys, securities or other assets belonging to the registrant shall be lodged or deposited or for any loss, conversion, misapplication or misappropriation of or any damage resulting from any dealings with any moneys, securities or other assets belonging to the registrant or for any other loss, damage or misfortune whatever which may happen in the execution of the duties of his respective office or trust or in relation thereto unless the same shall happen by or through his failure to act honestly and in good faith with a view to the best interests of the registrant and in connection therewith to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

The registrant’s employment agreement with Mr. Richard Gelfond, the registrant’s Chief Executive Officer, provides that the registrant will indemnify Mr. Gelfond, to the extent permitted by law, against any and all liabilities (and all expenses related thereto) incurred by them in connection with their performance under their respective employment agreements. The registrant also maintains officer and director liability insurance with respect to certain matters, including matters arising under the Securities Act, as amended.

## Item 16. Exhibits.

The exhibits to this registration statement are listed in the exhibit index, which appears elsewhere herein and is incorporated herein by reference.

## Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
  - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
  - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
  - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement or is contained in a form of prospectus filed pursuant to Rule 424(b) under the Securities Act that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability of the undersigned registrant under the Securities Act of 1933 to any purchaser:
  - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
  - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in this registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or a prospectus that is part of the registration statement or made in a document

incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of this registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in this registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

- (5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant hereby undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
  - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
  - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
  - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934, (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Dear Sirs/Mesdames:

**Re: IMAX Corporation**

We have acted as Canadian counsel for IMAX Corporation ("IMAX" or the "Company") in connection with the Registration Statement on Form S-3 (as such may hereafter be amended or supplemented, the "Registration Statement") filed by the Company with the Securities and Exchange Commission in connection with the registration under the United States Securities Act of 1933, as amended, relating to the offering from time to time by the Douglas Group, as set forth in the prospectus contained in the Registration Statement and as may be set forth in any supplement to the prospectus, of up to 2,726,447 of the Company's common shares (the "Resale Shares"). The Company originally issued the Resale Shares to the Douglas Group in a private transaction.

We have examined originals or copies, certified or otherwise identified to our satisfaction, of such documents, records of corporate proceedings, certificates and acknowledgements of officers of IMAX and of governmental officials and such other material as we have considered necessary or appropriate for the purpose of the opinion hereinafter expressed.

For purposes of the opinion hereinafter expressed, we have assumed that the documents examined by us which purport to be originals are authentic and those which purport to be certified copies or facsimiles conform with the originals thereof and the signatures on all documents examined or received by us are genuine. The reference to "our knowledge" in the opinion below, refers to the actual knowledge of the members of our firm actively engaged as counsel to IMAX in connection with the registration for resale by the Douglas Group of the

Resale Shares, without independent inquiry beyond such inquiries of officers of the Company as we have deemed necessary.

The opinion expressed below is limited to the laws of the Province of Ontario and the federal laws of Canada applicable therein, all as such laws exist and are construed as at the date hereof.

Based upon the foregoing and subject to the qualifications expressed herein, we are of the opinion that the Resale Shares have been duly authorized by all necessary corporate action on the part of IMAX and have been validly issued as fully paid and nonassessable common shares of IMAX. The Resale Shares, when offered for resale by the Douglas Group and delivered against payment therefor in accordance with the provisions of the Registration Statement, will not be subject to any pre-emptive rights or similar rights restricting the transfer of the Resale Shares under the *Canada Business Corporations Act* or IMAX's Articles of Incorporation or By-Laws or, to our knowledge, otherwise.

We hereby consent to the use of this opinion as an exhibit to the Registration Statement and to the use of our name where it appears in the Registration Statement.

Yours very truly,
