The Company will, upon request, pay brokers and certain other persons who hold the Company's Common Shares for others their reasonable expenses for sending proxy materials to the beneficial owners of the Company's Common Shares. The cost of solicitation will be borne by the Company.

#### INFORMATION ON VOTING

##### RECORD DATE FOR NOTICE OF ANNUAL MEETING AND PROVISIONS RELATING TO VOTING

The Board of Directors has fixed February 21, 2006 as the record date for the Meeting. Accordingly, each holder of Common Shares of record on that date is entitled to one vote for each Common Share shown as registered in the shareholder's name on the list of shareholders prepared as of February 21, 2006.

##### APPOINTMENT AND DELIVERY OF PROXIES

The persons named in the accompanying Proxy are directors and officers of the Company. A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE COMPANY, OTHER THAN THE PERSONS DESIGNATED AS PROXYHOLDERS IN THE ACCOMPANYING PROXY, TO ATTEND AND ACT ON BEHALF OF THE SHAREHOLDER AT THE MEETING. To exercise this right, a shareholder may either insert such other person's name in the blank space provided in the accompanying Proxy, or complete another appropriate form of proxy.

##### REVOCABILITY OF PROXIES

A shareholder who has given a proxy may revoke it by depositing an instrument in writing (including another proxy) executed by the shareholder or his attorney authorized in writing at the registered office of the Company at any time up to and including 10:30 a.m., Eastern Time, on the second last business day prior to the day of the Meeting or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting or at any adjournment thereof at any time before it is exercised on any particular matter or in any other manner permitted by law including attending the Meeting in person.

Unless otherwise indicated, all references in this document to dollar amounts are to U.S. dollars.

All information contained in this document is at February 21, 2006, unless otherwise indicated.

By completing and returning a Proxy, you are authorizing the person named in the Proxy to attend the Meeting and vote your shares on each item of business you are entitled to vote on, according to your instructions. IF THERE ARE NO INSTRUCTIONS WITH RESPECT TO YOUR PROXY, YOUR COMMON SHARES WILL BE VOTED IN FAVOUR OF THE ELECTION OF DIRECTORS AND THE APPOINTMENT OF AUDITORS AND AUTHORIZING THE DIRECTORS TO FIX THE AUDITORS' REMUNERATION, IN EACH CASE, AS REFERRED TO IN THIS CIRCULAR.

Shares represented by broker "non-votes" will, however, be counted in determining whether there is a quorum.

#### EXERCISE OF DISCRETION BY PROXIES

The person appointed as proxyholder has discretionary authority and may vote the Common Shares represented thereby as such person considers best with respect to amendments or variations to matters identified in the Notice of Annual Meeting, and with respect to any other matter which may properly come before the Meeting. As of the date of this Circular, management of the Company is not aware of any such amendment, variation or other matter proposed or likely to come before the Meeting. PENSION PLANS

The Company maintains defined contribution employee pension plans for its employees, including its executive officers. The Company makes contributions to these plans on behalf of employees in an amount up to 5% of their base salary, subject to certain prescribed maximums. During the fiscal year ended December 31, 2005, the Company contributed an aggregate of \$37,500 to the Company's defined contribution employee pension plan qualified under Section 401(k) of the U.S. Internal Revenue Code on behalf of Messrs. Gelfond, Wechsler, Foster, Joyce, Lister and Keighley.

The Company has established a U.S. defined benefit pension plan covering its two Co-Chief Executive Officers. The plan provides for a lifetime retirement benefit from age 55 determined as 75% of the member's best average 60 consecutive months of earnings during the 120 months preceding retirement. Under the original terms of the plan, once benefit payments begin, the benefit is indexed annually to the cost of living and further provides for 100% continuance for life to the surviving spouse. The benefits were 50% vested as of the plan initiation date. The vesting percentage increases on a straight-line basis from inception until age 55. The vesting percentage of a member whose employment terminates other than by voluntary retirement shall be 100%. Also, upon the occurrence of a change of control of the Company prior to termination of a member's employment, the vesting percentage shall become 100%. The Company intends to use the proceeds of life insurance policies taken on its Co-Chief Executive Officers to be applied towards the benefits due and payable under the plan, although there can be no assurance that the Company will ultimately do so. On March 8, 2006, the Company and the Co-Chief Executives negotiated an amendment to the plan. Under the terms of the plan amendment, the cost of living adjustment and surviving spouse benefits previously owed to the Co-Chief Executive Officers are each reduced by 50%, subject to a recoupment of a percentage of such benefits upon a change of control of the Company, and benefit payments are accelerated and paid out upon the occurrence of certain events, including a change of control of the Company. The Company currently estimates that the annual benefits upon retirement will be approximately \$1.0 million for each of the Co-Chief Executive Officers, subject to the amended cost of living adjustment and surviving spouse benefits.

#### EMPLOYMENT CONTRACTS

On November 3, 1998, the Company entered into renewal employment agreements (the "1998 Agreements") with each of Messrs. Gelfond and Wechsler (the "Executives") with effect from July 1, 1998 for a three-year term. Under the 1998 Agreements, each of the Executives is to perform such services with respect to the Company's business as may be reasonably requested from time to time by the Board of Directors and which are consistent with his position as Co-Chief Executive Officer. In addition, the Company is to use its best efforts to cause the Executives to be elected to the Board of Directors. In addition, a provision contained in their original employment agreements, dated March 1, 1994, was continued, whereby each of the Executives is also entitled to receive, upon a sale of the Company, a cash bonus in an amount equal to the product of (a) 0.375% and (b) the amount by which the sale or liquidation transaction imputes an equity value in excess of Cdn. \$150,000,000 to the Common Shares originally issued by the Company (on a fully diluted basis but excluding the Common Shares issued upon the conversion of the Class B convertible preferred shares of the Company formerly outstanding which were converted into Common Shares on June 16, 1994 and the Common Shares issuable upon the exercise of warrants owned by each of Messrs. Gelfond and Wechsler). Under the 1998 Agreements, the Company is to equalize the Executives to the taxes which each of the Executives would have paid had he earned his employment compensation and paid taxes thereon solely in the United States. The employment agreements also contain non-competition provisions.

On July 12, 2000, the Company entered into amendments to the employment agreements of the Executives (the "2000 Amendments"). Pursuant to the 2000 Amendments, the Executives were each granted 180,000 restricted shares which, in the event that regulatory or shareholder approval is not obtained, are deemed phantom stock. The restricted shares, or phantom stock equivalent, became fully vested on June 30, 2001. In 2003, a payment of \$775,000 was made to each Executive to reflect the value of the cancellation of 100,000 of the 180,000 phantom stock granted to each Executive in 2000. Under the 2000 Amendments, the Company agreed to create a defined benefit plan, to provide retirement benefits for the Executives (see description of this plan under "Pension Plans" above). The 2000 Amendments further provide for the extension of the Executives' non-competition covenants to four years beyond termination of employment and for the agreement by the Executives to consult with the Company for three years following the end of their employment with the Company.

These options expire on June 3, 2014.

The 2006 Amendments also provided that each of the Executives would be considered for a bonus payable in 2007 based upon performance to December 31, 2006, with a guaranteed bonus of \$750,000 paid for 2006 in the event of a change of control of the Company. Pursuant to the 2006 Amendments, on March 10, 2006 the Executives will each be granted 75,000 options to purchase Common Shares in accordance with the Stock Option Plan (the "Options"), which Options shall vest as to 50% on the first anniversary of the grant date and 50% on the second anniversary of the grant date. The Options expire on March 10, 2016 and vesting accelerates on a change of control. In addition, if there is a change of control of the Company on or before March 10, 2008, the executives will each receive an incentive bonus equal to the product of (a) 225,000 and (b) the difference between the closing price of the Company's common shares upon such change of control and the closing price of the Company's shares on March 10, 2006. The 2006 Amendments provide that if an Executive's employment is terminated without cause prior to the end of the employment term, or if his agreement is not renewed, the Company must continue to pay the Executive his annual salary and bonus for twelve months. In conjunction with the 2006 Amendments, the Executives and the Company agreed to amend the Executives' defined benefit pension plan as more fully described under "Pension Plans" above. ## COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2005, two members of the Board of Directors served as members of the Compensation Committee: Messrs. Girvan and Fuchs.

The law firm of McCarthy Tetrault, of which Mr. Girvan is a senior partner, provided legal services to the Company on several matters in 2005 and is expected to provide legal services in 2006.

No executive officers of the Company serve on boards of directors or compensation committees of any other entities that had or have had one or more of its executive officers serving as a member of the Company's Board of Directors.

## REPORT ON EXECUTIVE COMPENSATION

### COMPOSITION OF COMPENSATION COMMITTEE

The Board of Directors constituted a Compensation Committee in November 1996. The current members of the Compensation Committee are Messrs. Girvan and Fuchs, both are "independent directors" as defined in Rule 4200(a)(15) of the National Association of Securities Dealers ("NASD") Marketplace Rules and in Section 1.4 of Multilateral Instrument 52-110. The Compensation Committee did not participate in executive compensation decisions in respect of 2005 other than the compensation of Messrs. Gelfond and Wechsler. The compensation of the Company's employees was established through guidelines set by the Board of Directors.

Compensation for all of the Company's employees, including its Named Executive Officers, is based on each employee's job responsibilities and on his or her individual performance over time. The Company's executive compensation program has three principal components: base salary, annual variable incentive compensation and stock options. The Company believes these components collectively provide a fair and competitive pay package and an appropriate relationship between an executive's compensation, the executive's performance and the Company's performance.

### BASE SALARY

A salary range is established for each salaried position in the Company, including each Named Executive Officer position other than the Executives. The Company utilizes independently-produced survey data of the salaries paid at groups of other companies which are regarded as comparable to the Company in the various locations in which employees of the Company are located, to confirm that the midpoint of each salary range is generally equal to the average salary of equivalent positions at such groups of comparable companies. The groups of comparable companies are chosen based on their industry, size and revenues, as such factors are thought to be relevant to compensation conditions in the locations of the Company's employees. Each executive officer's base salary is determined by reviewing his or her sustained job performance over time, based on individual performance and performance of the business or staff unit over which the executive officer exercises responsibility. Business or staff unit performance is assessed on return on total capital, achievement of sales or production targets, effectiveness of cost-containment measures, progress toward implementation of process improvements and other factors relevant to each executive officer's position. The relative weight attributed to each factor, with respect to each executive officer, is an inherently subjective judgement.

### ANNUAL INCENTIVE COMPENSATION

Certain employees of the Company, including most of its executive officers other than the Co-Chief Executive Officers, receive a portion of their annual compensation in the form of bonuses under the Management Incentive Plan. Bonuses are awarded under this plan provided that annual operating objectives targets are achieved by the Company and provided that personal performance standards are achieved by the participating employees. An aggregate of \$2,094,988 will be paid to all employees participating in this plan in respect of 2005.

### STOCK OPTIONS

The Company's long-term incentive compensation for executive officers and other key managers is provided through grants of stock options. The Company has a stock option plan (the "Stock Option Plan") under which the Company may grant options to officers, employees, consultants and eligible directors (the "Participants") to purchase Common Shares on terms that may be determined, within the limitations of the Stock Option Plan. The Stock Option Plan has received shareholder approval and is administered by the Option Committee of the Board of Directors. The number of stock options granted is determined by a competitive compensation analysis and is based on each individual's salary range and responsibility.

All grants pursuant to the Stock Option Plan are made with an exercise price equal to the fair market value of the Company's Common Shares on the date of grant. An option will be exercisable for a maximum period of 10 years from the date of grant, subject to earlier termination if the Participant's employment, consulting arrangement or term of office with the Company terminates. The Board of Directors determines vesting requirements. If a Participant's employment, consulting arrangement or term of office with the Company terminates for any reason, any options which have not vested will generally be surrendered for cancellation without any consideration being paid therefor. If the Participant's employment, consulting arrangement or term of office is terminated without cause or by reason of such Participant's resignation, death or permanent disability, the Participant (or the Participant's estate) will generally be entitled to exercise the Participant's vested options for a period thereafter. If the Participant's employment, consulting arrangement or term of office is terminated for cause, such Participant's vested options will be surrendered for cancellation without any consideration being paid therefor. Under the Stock Option Plan, the Board of Directors through the Option Committee has the authority to prescribe additional terms and conditions to grants of options thereunder. All options granted shall immediately vest and become fully exercisable upon a change of control and the occurrence of other stated events. If the Participant is a party to an employment agreement with the Company or any of its subsidiaries and breaches any of the restrictive covenants in such agreement, such Participant will be required to surrender all unexercised options for cancellation without any consideration being paid therefor and will be obligated to pay to the Company an amount equal to the aggregate profit realized by such Participant with respect to any prior option exercises. Options to purchase 5,504,324 Common Shares have been granted and are outstanding under the Stock Option Plan as of December 31, 2005. Under the terms of the Stock Option Plan, the maximum number of Common Shares that the Company may issue under options is 7,046,689 Common Shares as of December 31, 2005. During 2005, 651,866 stock options were granted to Stock Option Plan Participants, including certain of the Company's executive officers. Certain Named Executive Officers received options to purchase Common Shares of the Company, as detailed in the "Options Granted" table above. In determining the number of options to grant to the Named Executive Officers, consideration was given to information about stock option grants to executive officers in comparable companies of similar revenue, size and market segment or industry. In addition consideration is given as to the number of options granted to other executive officers.

#### EXECUTIVE SHARE OWNERSHIP PLAN

The Company believes that it is important to align the interests of the Company's management with those of its shareholders, and that this can be achieved, in part, by encouraging executives to have significant personal holdings of the Company's Common Shares. In 2003, the Company adopted formal guidelines that set out the expected share ownership for senior executives, ranging from one to two times base salary. Current executives are required to meet these minimum shareholding guidelines by fiscal 2008, and new executives within five years of appointment. In addition, once executives have met their initial shareholding requirement, they are required to maintain the minimum percentage ownership requirement.

#### COMPENSATION OF CO-CHIEF EXECUTIVE OFFICERS

The Compensation Committee of the Board of Directors makes recommendations to the Board of Directors regarding the compensation of the Co-Chief Executive Officers. The pay-for-performance philosophy of the Company's executive compensation program applies equally to the Co-Chief Executive Officers. The base salary and option components of the Co-Chief Executive Officers' 2005 compensation were fixed by the provisions of the 2004 Agreements. The bonus component of their 2005 compensation was approved by the Board of Directors after careful assessment of their personal contributions to the performance of the Company.

The Co-Chief Executive Officers' performance was assessed in light of a number of quantitative and qualitative factors, which included corporate financial results and strategic planning objectives. Early in 2005, management of the Company developed, and the Board of Directors approved, an operating plan for fiscal 2005. The operating plan included a series of specific objectives related to the Company's performance for the year. These included, among others, targeted theatre signings, release of IMAX DMR versions of Hollywood films, specified Research & Development objectives and overall performance targets related to budgeted profit and loss and cash flows. The bonus component of the Co-Chief Executive Officers' compensation was assessed by the Board of Directors in light of the overall success in achieving these objectives, in the context of the overall performance by the Company in 2005. In this process, the Board of Directors assessed the contributions of the Co-Chief Executive Officers to the achievement of the objectives set out in the operating plan, consideration of bonuses paid to the Co-Chief Executive Officers in prior years, the success of the Co-Chief Executive Officers in handling unexpected challenges which arose during the year and more general assessments of the leadership role played by the Co-Chief Executive Officers during the year. While the Board of Directors took into account the level of achievement of each of the objectives, specific relative weightings were not assigned to individual factors in the Board of Directors' assessment and there was no specific relationship between any one of these factors and the bonuses approved by the Board of Directors.

The foregoing Report on Executive Compensation, dated March 9, 2006, has been furnished by Messrs. Braun, Copland, Girvan, Leebron and Utay, being the non-management members of the Board of Directors who were in attendance at the meeting at which the Circular including this report was approved.

## CORPORATE GOVERNANCE PRACTICES

Over the last several years, there have been extensive regulatory changes based on reforms arising out of the Sarbanes Oxley Act of 2002 ("SOX"), the reforms of the SEC, the new listing requirements of the Nasdaq Stock Market, and the new Canadian disclosure regulations. With shares listed on the TSX and Nasdaq, the Company reviews its governance policies and practices against these standards under the direction of its Board of Directors and Corporate Governance Committee.

National Instrument 58-101 - Disclosure of Corporate Governance Practices ("NI 58-101") require the Company to disclose, on an annual basis, its approach to corporate governance with reference to the governance guidelines provided in National Policy 58-201 - Corporate Governance Guidelines (the "Guidelines"). Appendix "A" to this Circular describes the Company's various governance practices with reference to the Guidelines and, where applicable, with the Nasdaq Stock Market listing standards and the National Association of Securities Dealers ("NASD") Marketplace Rules, as these rules have been approved by the SEC.

The Board of Directors has determined that the following directors are "independent" within the meaning of Rule 4200(a)(15) of the NASD Marketplace Rules and within Section 1.4 of Multilateral Instrument 52-110: Messrs. Braun; Copland; Fuchs; Girvan, Leebron and Utay.

### NOMINATION PROCESS

The Board of Directors has assumed responsibility for identifying and recommending candidates for election to the Board of Directors and believes, considering the size and composition of the Board of Directors, that this is the most efficient means to identify nominees for election to the Board of Directors. Such candidates are then nominated for election by a majority of independent directors, as defined in Rule 4200(a)(15) of the NASD Marketplace Rules and in Section 1.4 of Multilateral Instrument 52-110. The Board of Directors has adopted a formal process regarding the nominating function, although there is no written charter. The Board of Directors evaluates potential new candidates for the Board of Directors on an ongoing basis in light of opportunities and risks facing the Company, and the competencies, skills and personal qualities that are desirable to add value to the Company and to contribute to the effective governance of the Company. Candidates are identified from a number of sources including recommendations from Board members, management, shareholders and others. The Board of Directors will consider any nominee recommended by a shareholder under the same criteria as any other potential nominee. The Company may require any proposed nominee to furnish additional information as may be reasonably required to determine the qualifications of such proposed nominee to serve as a director of the Company.

### BOARD OF DIRECTORS MANDATE

The Board of Directors operates under a written mandate, the Board of Directors' Charter, adopted by the Company's Board of Directors. A copy of the Board of Directors' Charter is found in Appendix "B" to this Circular and is available at [www.imax.com](http://www.imax.com) or upon written request to the Company at IMAX Corporation, 2525 Speakman Drive, Mississauga, Ontario, Canada, L5K 1B1, Attention: Corporate Secretary.

### COMMITTEES OF THE BOARD

Each of these committees are appointed annually and have a written mandate which sets out its principal duties and responsibilities.

### AUDIT COMMITTEE

The Audit Committee is currently composed of Messrs. Copland, Braun and Leebron, all "independent directors" as defined in Rule 4200(a)(15) of the NASD Marketplace Rules and in Sections 1.4 and 1.5 of Multilateral Instrument 52-110, who are "financially literate", as that term is defined in Section 1.6 of Multilateral Instrument 52-110, and have an understanding of financial statements and financial affairs. Each committee member has many years of experience with various businesses and professions which has given them an understanding of the accounting principles used by the Company in preparing its financial statements and the ability to assess the general applications of such accounting principles in connection with the accounting for estimates, accruals and reserves. These experiences have been with companies, businesses and professional organizations presenting a breadth and level of complexity of accounting issues generally comparable to those reasonably expected to be raised by the Company's financial statements and have provided them with an understanding of internal controls and procedures for financial reporting. The Board of Directors has determined that Mr. Copland, an independent director, qualifies as an "audit committee financial expert" as that term is defined in Item 401(h) of Regulation S-K. The Audit Committee operates under a written mandate, the Audit Committee Charter, adopted by the Company's Board of Directors. A copy of the Audit Committee Charter is available at [www.imax.com](http://www.imax.com) or upon written request to the Company at IMAX Corporation, 2525 Speakman Drive, Mississauga, Ontario, Canada, L5K 1B1, Attention: Corporate Secretary. The preceding information in this paragraph shall not be deemed to be "soliciting material" or to be "filed" with the SEC, nor shall such information be incorporated by reference into any future filing under the U.S. Securities Act of 1933, as amended (the "1933 Act"), or the Exchange Act, as amended, except to the extent that the Company specifically incorporates it by reference in such filing.

The Audit Committee meets with the external auditors of the Company, both with and without management present, to review the Company's accounting policies, its quarterly and year-end financial statement information and their presentation, and significant financial issues which may arise for the Company. The Audit Committee reviews and assesses the adequacy of the Audit Committee Charter on an annual basis.

The Board of Directors as a whole evaluates potential new candidates for the Board on an ongoing basis in light of opportunities and risks facing the Company, and the competencies, skills and personal qualities that are desirable to add value to the Company and to contribute to effective governance of the Company. Candidates are identified from a number of sources, including recommendations from Board members, management, shareholders and others.

7. COMPENSATION

a) Describe the process by which the board determines the compensation for the issuer's directors and officers.

The Board of Directors has adopted a "Director Remuneration Policy" setting forth the remuneration for the independent directors. This data is compiled by the Company's management from public sources and is reported to the Committee. Using such information, the Committee formulates a recommendation to the Board of Directors and the final decision is made by the Board of Directors.

With respect to the Co-Chief Executive Officers, the Compensation Committee reviews and recommends to the Board of Directors the compensation and performance criteria, basing its recommendations on available data for the most comparable companies and external compensation consultants. From time to time, the Board of Directors considers issues of compensation of certain senior executives of the Company.
